

Aerostat Adventures - Passenger Checklist

Pre-Flight Checklist:

- ✓ Please “No smoking” in or around the balloon (Raw propane may be present at any time during inflation and deflation of the balloon).
- ✓ Before each flight the pilot will provide a verbal briefing explaining the inflation/deflation process and will provide you with instructions for the various types of landings that you may experience. If you have any questions, or do not understand the verbal instructions, please notify the pilot or crew chief.
- ✓ There may be other balloons in the same field that we’ve chosen as our launch site. It is fine to take pictures of the other balloons, but we ask that you stay close to your assigned balloon. Passenger boarding will begin immediately after the balloon is inflated and in an upright position.
- ✓ ALL passengers are required to sign an insurance waiver prior to the flight. If you did not sign a waiver, please notify the pilot or other crew member.
- ✓ For your safety, please secure any loose clothing such as sweaters, jackets, tie strings etc. We use high velocity fans during inflation and would hate for any of these items to be drawn into the suction side of the fans.
- ✓ Please do not interfere with any ropes, tanks or instruments on-board the aircraft.

Landing/After Flight Checklist:

- ✓ Listen for directions from the Pilot.
 - ✓ Stow any loose gear securely.
 - ✓ Get into “landing” position as directed by Pilot. (He will show you the “landing” position before flight and before landing.)
 - ✓ Be prepared for the balloon to bounce, skid or lay down upon landing.
 - ✓ STAY in the basket and hold on until instructed by the Pilot to exit.
 - ✓ Mother Nature can sometimes change wind direction during flight, which may force us to land in an unfamiliar and/or unauthorized location. Please be respectful of property owners should this occur.
 - ✓ After the flight, please remember to take your personal belongings with you.
- Many of our passengers like to express their gratitude when they have had a wonderful experience. If you would like to add a cash or credit card gratuity, please notify the pilot or other crew member.

BY SIGNING BELOW, I HEREBY CERTIFY THAT I HAVE READ THE CHECKLIST AND UNDERSTAND IT.
